To Whom It May Concern

This letter is to verify that the **Touched by Olivia Foundation** is associated with and, a supporting partner of, the Sydney Children's Hospital, Randwick.

The Touched by Olivia Foundation is committed to raising money for the Hospital through various events and activities and, over the past 3 years, has enabled the purchase of significant life-saving medical equipment in some of the Hospital's most critical areas.

Justine Perkins, Founder of the Touched by Olivia Foundation, is our partner and primary contact for the Foundation.

I urge any prospective supporters to spare a little time and money in support of a Foundation that is making a wonderful impact on the lives of children for whom the Sydney Children's Hospital cares.

My contact details are at the footer of this letter should you require any further information.

Yours faithfully

Adam M Check
